PUBLISHED BY

CLASS OF JUNE, 1928

MONTCLAIR STATE NORMAL SCHOOL

MONTCLAIR NEW JERSEY

# FOREWORD

FROM all parts of New Jersey we came, this Class of '28, each one an individual, thinking as an individual and living as an individual. But in two short years we learned the meaning of the word co-operation, and we lived the meaning of that word. As a monument to the excellent co-operation and initiative of the Class of '28, we leave this issue of the Montclarion.

Within these pages you will find a record of the years spent here, our work, our play, and pleasant memories of Alma Mater. Her ideals will be our beacon light in the years to come, and as we make our own paths through Life, her standards will be our standards. May we bear them high!

NAN M. WALL.

# Dedication

To Miss Ethel Alexander, *whose devotion and many services have proved she is a friend of genial qualities, which have increased our admiration and love for her, the* Class *of* June, Nineteen Hundred Twenty-Eight, *with appreciation and esteem dedicate this issue.*

# CLASSES

SENIOR B CLASS

## SENIOR B CLASS OFFICERS

THE CLASS OF FEB. '29 has been active in school interests especially athletics and are quite proud of the fact that they are champions of the past basketball season. They gave the customary St. Patricks Day program in chapel, which has been allotted to the seniors, and which has been received with enthusiasm by both the faculty and student body.

*Secretary* . . . . . JOSEPHINE HUTCHINSON

*Treasurer* . . . . . FRANCES HOUSEL

THIS class, entering last September, has most of its members active in many of the clubs and organizations of the school. However, as yet the class has not been given a chance to prove its initiative in matters of importance, but as soon as it returns next year as the Senior Class, it will show what it can do.

JUNIOR B CLASS

WITH only 20 members the Junior B group began their Normal School career, but the smallness of the class did not keep them from co-operating with fellow students to the best of their abilities. Junior B's we are proud of you.

THE FIRST evidences of the activities of the Sophomore Class were the green hats that the Freshman wore the first few weeks of school. These with additional ornaments helped to initiate the first Freshmen of the College. Next came the Sophomore Hop which proved that this class could make a success of their social function. Recently the Sophomores have given a 1930 banner to the school.

We feel that the Sophomore Class with Dean Finley as the advisor, will give much to the school life with making traditions and keeping up the spirit of Montclair.

## FRESHMAN CLASS

*Vice-President* ..... BETTY LAMBERSON

*Treasurer* ..... VIOLET GIOGGIA

*Secretary* ..... NORMAN KEPPLER

THE CLASS of 1931 entered Montclair College of Education September 1927 as its first freshman. The above officers were elected to transact the business of the class for the ensuing year. Much time has been devoted to creating precedent for the future. A very successful informal dance was held at Edward Russ Hall March 30, 1928. A committee is now planning fall initiation in preparation for the entering class.

ORGANIZATIONS

# THE "C" CLUB

| | |
|---|---|
| *President* | Mary Alice Boland |
| *Vice-President* | Eleanor Pierce |
| *Secretary* | Janet Newcomb |
| *Treasurer* | Ruth Rutstein |
| *Faculty Advisor* | Miss Crawford |

THE "C" CLUB is one of the largest organizations in the school. It was formed for the purpose of studying various phases of visual education. It fared so well that a class for visual education was established.

The club has taken up the study of the motion picture camera, stereopticon slides, picto-rolls, maps, charts, and museum material. The kodak and camera are now being studied.

The old members of the club have enjoyed the subjects that were treated and it is hoped that the new members will, also.

Meetings are held the second and fourth Tuesdays of the month in Room 4 at 3:15.

# THE CLASSICAL CLUB

*President* . . . . . HELEN BOSSIDY

*Vice-President* . . . . . MARJORIE SANDERS

*Secretary* . . . . . DOROTHY DROMESHAUSER

THE CLASSICAL CLUB was organized in October, 1927, under the supervision of Miss Ethel Littlefield. The purpose of this club was to further an interest in the Classics. With mutual agreement the members decided to undertake the study of Greek Classics. The choice seemed to be a popular one for in a few months the membership had grown to thirty.

At present, the club is endeavoring to find a Greek Play suitable to serve as a climax to the year's study of Greek.

The Classical Club meets every Tuesday at 3:10 in Room 9.

## THE CONTEMPORARY CLUB

*President* . . . . . RUTH LINDSAY

*Vice-President* . . . . . LORRAINE KAUCHER

*Secretary* . . . . . HARRIET MULLER

*Treasurer* . . . . . HAZEL MCCONSER

THE CONTEMPORARY CLUB, formed last fall with the aid of Miss McKinney and Miss Stryker, is a fusion of the Literary and Up-To-Date Clubs.

The club aims to help each student to develop natural tendencies in expression of their own thoughts in original writings of prose and poetry. Prizes are awarded annually for the best works of prose and poetry. Current topics and problems of historical importance are also discussed.

The Contemporary Club has already had many interesting and jolly meetings, one of which was given over to a lecture on Modern Poetry by Mr. Webster.

Regular meetings are held on the second Tuesday of each month.

## THE DOUBLE QUARTETTE

| Virginia Smith | Hilda Andre |
| Althea Cannon | Ethel Dochterman |
| **TENORS** | **BASSES** |

THIS year the school has watched with interest the establishment and growing ability of a new organization, the Double Quartette. This musical group has been selected and proficiently directed by Mr. Carter.

Activities of the Double Quartette have included three radio programs over station WODA of Paterson, a Christmas Cantata, commencement music and programs in Assembly.

## EDWARD RUSS HALL

*President* ..... LILLIAN NAST
*Vice-President* ..... VIRGINIA STUART
*Secretary* ..... KATHRYN DRENNAN
*Treasurer* ..... GERTRUDE BOLLINGER
*Delegate* ..... OLIVE LYONS

"EDDIE RUSS" has many pleasant memories associated with it in our minds. The dances, feeds, informal gatherings, sings and best of all, Initiation, will always be our most pleasant memories. We did have such fun!

This one big happy family has two mothers to look after them; Mrs. Snedeker, our matron, and Miss Capron, our nurse.

The Eddie Russ family is governed by an Honor Council whose duty it is to enforce the Constitution of the dormitory. The members of the council are chosen by the girls in the Dorm at the end of each term. The officers for this term are: Lillian Nast, president; Virginia Stuart, vice-president; Kathryn Drennan, secretary, and Gertrude Bollinger and Olive Lyons.

DOROTHY HUNT '28.

# THE GLEE CLUB

ONE of the most popular school organizations is the Glee Club. Under the excellent leadership of Miss McKinley, this club meets once a week for its regular rehearsal.

The membership is composed of girls carefully selected by Miss McKinley. This year the organization of a volunteer club has accorded the privileges of the regular Glee Club to girls who have late classes.

Commencement music has been provided for, in the past, by the Glee Club, and this is now an established custom. In the frequent sings and special programs presented, the club is assisted by Mr. Carter, its very able accompanist.

Each member thoroughly enjoys the delightful and beneficial work of the club and is proud to be granted the privilege of membership.

# THE LEAGUE OF WOMEN VOTERS

*President* . . . . . KATHERINE LEHLBACH

*Vice-President* . . . . . CATHERINE FIRLING

*Secretary* . . . . . JULIA WHITELOCK

*Treasurer* . . . . . MURIEL KING

*Faculty Advisor* . . . . . MR. ROY W. HATCH

THE NEW VOTERS LEAGUE of Women Voters is a young but active part of the Montclair life. Since its organization it has had some very interesting meetings, some with speakers and others for discussion. On Februray 4th, the officers attended a conference with other New Voters from New Jersey. Recently the League gave a very successful bridge in the Dormitory. A very interesting program has been planned for the remainder of the year.

## LE CERCLE FRANCAIS

*President* . . . . . LILLIAN BARRERE

*Vice-President* . . . . . HELEN YOUNG

*Secretary and Treasurer* . . . . . BETTY BERNARD

*Executive Committee* . . . . . HELEN MILLS, HELEN WILSON

IN SEPTEMBER a Cercle Français for Montclair Teacher's College and Normal School was organized within the French Class. Later, membership was enlarged, embracing all students and teachers who have studied two years of French. Our prime object is to make French live for us. In order to realize this aim, French is the language of the Cercle meetings. Three of the dramatically inclined members have already presented a most amusing One-Act Play, entitled "Rosalie." More are to follow. Meetings are held the second and fourth Mondays of each month, at four o'clock in the Dormitory.

# LIBRARY COUNCIL

*President* . . . . . ISABEL WEEKS

*Secretary* . . . . . DOROTHY MACKAY

THE LIBRARY COUNCIL is made up of one representative from each class section, elected by that section. The faculty representative is Miss E. Winifred Crawford. The Council meets from time to time with the Librarian, Miss Zaidee Brown, to discuss ways of making the Library meet the needs of the students and to adjust any questions connected with the order or with Library Rules.

Each member of the Council gives one class hour a week for service to the Library. This help is needed at the Loan Desk and is greatly appreciated by the Librarian. Members of the Council, in consideration of the service they give, are allowed free access to the stacks.

# SCIENCE CLUB

| | |
|---|---|
| *President* | Edith Knowles |
| *Vice-President* | Harriet Dunn |
| *Secretary* | Helen Tolley |
| *Treasurer* | Frieda Fuhrmann |
| *Editor-in-Chief* | Helen Ruckert |
| *Chairman of Program Committee* | Eleanor Noyes |

THE SCIENCE CLUB for the past term has certainly afforded those interested in Science and Nature Study an opportunity to gain knowledge and broaden their experiences by nature hikes, museum visits, camping trips, supper hikes and meetings.

On the nature hikes, groups of girls have studied flowers, birds, sun, moon, stars and rocks and have tracked animals in the snow with Miss Woodward as their capable leader.

Last October, several members spent a week-end at Camp Thendara in the Palisades Interstate Park, where they met some fine people of the Green Mountain Club of which Miss Woodward is President.

The Science Club feels highly indebted to Miss Woodward, its faculty advisor and friend, for its success.

## THE STUDENT COUNCIL

*President* . . . . . JEAN SIBLEY

*Vice-President* . . . . . DOROTHEA PALMER

*Secretary* . . . . . MARY LYALL

*Treasurer* . . . . . FRANCIS BEAM

THE COUNCIL is the governing body of the school and represents the Student Government Association of which everyone in school is a member.

Those who are allowed to attend the meetings are: the Executive Committee consisting of the Council Officers and all Class Vice-Presidents, two representatives from each section, Presidents of all classes (each one considered as a representative from her section), Presidents of all organizations and Chairmen of all committees.

The work of the Council is to discuss matters of vital importance to the student body and to try to adjust things for the convenience of the students. New plans, ideas and suggestions on things pertaining to school betterment are brought up at the session. The Faculty is informed of all business transacted at these meetings.

The Council does many things beneficial to both Faculty and students and is a worthwhile organization.

SPORTS

# BASEBALL

AT THE opening of the Baseball Season the same keen interest in athletics was displayed by the members of our class. We soon had a Junior A team organized and playing in the same peppy fashion. We defeated the Junior B's by the score of 16-12.

In June our school had as its guests the Montclair Rotary Club who gave us a good fast game of Baseball which ended in their favor 16-8. The Normal School team was represented by members of the faculty as well as a few of the class of June, 1928.

# BASKETBALL

BASKETBALL, is of course, our winter indoor sport. Three seasons, two of which have found us champions, have been completed and the fourth season is well on the way to our usual victorious end. Because of the unusual merit of our players, we feel it fitting to mention the names of those who have played at least three of the four seasons. In center we had Ruth Herbert, Ann Parsek, and Catherine Mundy to start the ball rolling toward our goal. The guards in the persons of Marjorie J. Smith, Mary Kunsmueller, and Gertrude M. Taylor were strong combinations and Mary Van Derbeek, Mary Durning, Hazel Adams, and Marjorie M. Smith were the "big shots."

Aside from these inter-class games we were fortunate enough to arrange a game between Paterson Normal and our varsity composed of several of our number. Our victory brought a successful season to a close.

This season our varsity journeyed down to the Montclair Athletic Club where we were defeated in a fast game by the score of 19-14.

## HOCKEY

THIS FALL found us lined up with Hockey sticks and after weeks of practice in dribbles, passes and other necessary techniques, we formed a Senior team. The season brought forward some brilliant playing from the skilled members of our famous eleven but as we were new at the game, we did not have our usual good results.

## SOCCER

IT WAS not long after our arrival at Montclair that a goodly number of our class made their acquaintance with Miss Duke and Miss Hepburn at our first Soccer practice. This game was new to us but we all enjoyed our initiation and managed to have a very successful season winning two out of three games.

# TRACK

IN THE Spring of 1927 we held our yearly mass track meet which gave each girl an opportunity to win individual honors. Once again our class, then Junior A's, took the lead in winning the greatest number of points. We excelled in the High Jump, Basketball Throws, Relays, and the Dash.

## GIRLS' ATHLETIC ASSOCIATION

*President* . . . . . FRANCES MOLLRC
*Vice-President* . . . . . HELEN HALLIGAN
*Secretary* . . . . . GERTRUDE M. TAYLOR
*Treasurer* . . . . . MARY DURNING

WHAT does the G. A. A. mean to you? Can you hear the click of hockey sticks when the weather is crisp in the fall, and later on do you notice the steady rhythm of the basketball being passed from player to player in the gym? It is the G. A. A. which arranges all these inter-class sports and strives to build up a feeling of goodfellowship among the girls.

To further encourage this attitude the council introduced something new in the form of a "Play-Day" last spring. Twenty-five girls each from Paterson and Newark Normals spent the afternoon playing group games with us. Since this was the first activity of its kind in the state, we were delighted with its successful results. We hope to have another similar activity this term.

Of course, Miss Duke and Miss Hepburn, our two competent advisors, are always ready to give us valuable assistance with our work at any time.

GERTRUDE M. TAYLOR

## CHEERING SQUAD

THE CHEERING SQUAD of the Montclair State Normal School and College of Education is a new addition this year. In the fall there was a felt need for more school spirit and enthusiasm. "Pep" meetings were held every Wednesday noon for two months to teach the school the songs and yells used at the basketball games during the winter. This year's cheer leader, Dorothea M. Palmer, has had charge of this work and is training a group from which next year's leaders will be selected. This group has led cheers and songs at all the games. In the late spring, try-outs will be held and the student body will vote on the cheer leader for next year, who will carry on this work.

BOYS' BASKETBALL TEAM

## BOYS' ATHLETICS

OF THE three major activities in college life; namely, scholastics, social functions, and athletics, the last named seems to command more attention from the boys. This has been mostly the case with the boys in Montclair State Teacher's College

Las fall, after much hesitation and deliberation, a basketball team was formed, the first in the history of the college. Due to lack of practice facilities and the lack of a regular coach, the team was very slow in rounding into proper form. Nevertheless it soon found its stride, and defeated team after team. The enviable record of eight victories and four defeats for the season sets a goal at which future teams might aim.

Plans for baseball and football teams are rapidly being made and with loyal support from the student body Montclair will lead other colleges not only in scholastics but also in the realm of athletics.
